19:33:13 From Heather Flint Chatto : Right now, thinking it will be on zoom

19:36:49 From loni gray : Congrats Rep Nosse for being a part of the
Downtown Council. Hope some revisioning can be done!

19:40:57 From loni gray : Is it true that the Cannabis Funding that 110
shifted come from the Police budget? How can we help the Police with that loss?

19:49:05 From Allen Field : Lt Hill: can you give your perspective on what
could be done to fix 110, or should it be repealed?

19:49:41 From Richard Bruno : Recriminalization punishes people with a
disease. It's not the best way to help people. Expanded addiction treatment is.

19:50:46 From loni gray : True Richard, but Multnomah Co seems to sit on
the dollars given for this purpose. So it doesn't get to where it's needed. And
neighborhoods become unsafe in the interim.

19:55:54 From Richard Bruno : Demand has worsened dramatically over COVID
as diseases of despair have increased: depression, addiction, suicide.

20:08:16 From loni gray : Thank you Rob!!

20:11:17 From loni gray : Enchanced what District?

20:13:30 From Heather Flint Chatto : An ESD is an Enhanced Services

District - like a Business Improvement District with a funding framework to help with enhanced services, street cleaning, amenities, beautification, graffiti abatement, etc.

20:13:53 From loni gray : thanks

20:20:17 From loni gray : Simon the chairs and tables are already paid for by RNA. Bill is just updating us I believe.

20:21:25 From loni gray : Sorry everyone, I just cannot hear the conversation clearly. I'll read minutes. Best to all, Loni

20:25:03 From Allen Field : Bill: how much \$ does HBBA have? if it has more \$ than the RNA, that is an issue

20:31:34 From Heather Flint Chatto : And we are re-affirming an already approved vote

20:37:41 From Heather Flint Chatto : Richard, can you restate where you are thinking the telehealth booth is going to go?

20:40:06 From Richard Bruno : Hi Heather. Still in discussion with Sts Peter & Paul and Sunnyside Shower Project. Sent an MOU to both. Awaiting their response. Rev Sara Fischer at SP&P told me she thinks it will work well there

20:40:09 From Allen Field : allen_field@yahoo.com: email me if you have questions about applying for grants. workshops are 10/5,15, 25 by SE Uplift

20:41:27 From Heather Flint Chatto : Thanks Richard - glad to hear you are still talking with Sunnyside Showers at Sunnyside Church - there is a great nexus there from hearing the participants health challenges during shower shifts we hear many.

20:49:22 From Heather Flint Chatto : Will the notes from the meeting be typed up?
