

## EMERGENCY GO KITS

Here is a sample of Emergency Preparedness Go Kits. Yes, it looks like a lot of items, but keep in mind that you may have many of these, and can purchase used clothing items at second hand stores such as Goodwill. Same for camping equipment. Next Adventure, Craig's List are examples of places to look for good used equipment. Remember you *DON'T NEED TO DO EVERYTHING AT ONCE*. Start with one kit or part of one kit at a time. Maybe start with the Bedroom Kit just to get your feet wet.
